

EKOTOLOGY

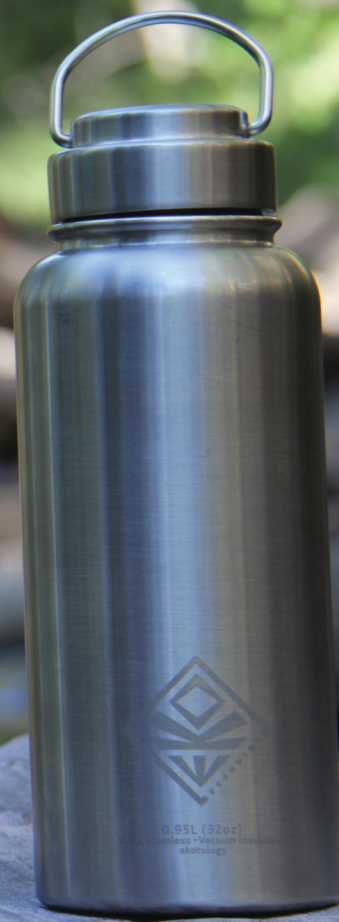

Clean ♦ Pure ♦ Plastic-free ♦ The way it ought to be

Kilimanjaro 21oz (0.62L)

Vesuvius 32oz (0.95L)

"Better than Hydro Flask or Yeti because with EKOTOLOGY, your water does not touch ANY plastic."

"The design of this bottle couldn't be more perfect." -Kurlylocs

"Amazing insulating abilities insure ice cubes will still be present a full 24 hours later, and hot drinks remain hot for an extended period too. No part of your drink comes into anything made of plastic..." -E. McNamara

"Couldn't be happier with this product. Does exactly what it says and is soo pretty!! Have gotten a lot of comments on how nice it looks. Also the fact that it holds a whole liter without looking gigantic is awesome!" -Jena

"I purchased both the 21 and 32oz sizes and these have now replaced all other water bottles in my house." -Kara

"Just as advertised, great product & excellent customer care." -James E.

Built-in Handle

Easy to carry. Folds out of the way when you don't need it.

No Plastic

All stainless steel construction inside and out. Free of BPA or Phthalates. Your drinks never touch plastic.

Brushed Stainless Steel Wall

Simple. Sturdy. Classic.

No Sweat

With the vacuum insulation, condensation does not form on the outside of the bottle.

32oz or 21oz

The perfect size for all occasions. Ideal for school, the office, gym, or any outdoor adventure. There's plenty of water when you need it.

One-Piece Outer Steel

This means no seam or bottom cover that could fall off or rust.

All Stainless Steel Lid

Food-grade stainless steel lid inside and out provides perfect insulation. Cold stays cold. Hot stays hot.

Wide Mouth

2.3" (58mm) opening means filling from ice dispensers with ease. Simple to clean.

Cold 24+ Hours

Cold beverages remain cold for over 24 hours.

Hot 12+ Hours

Hot beverages remain hot for over 12 hours.

Vacuum Seal

Prevents transfer of heat or cold from inner wall to outer wall.

Stainless Steel Inner Wall

Keeps heat or cold temperature inside the bottle.
